The Gift & Sabotage

1. Which relationships in your life do you sense are far from the way God intended for them to be?

a. Are there cultural or personality differences that you have allowed to come between you and others?

b. What communication struggles are making your relationships difficult?

2. Describe a time when you blamed someone else in order to try to offset your feelings of shame and guilt. How did your attitude of blaming affect that relationship?

Journal: Before reading the next chapter, write down your definition of forgiveness. You will use this in the next chapter to evaluate how well you understand the true nature of what forgiveness is and is not.
